

2025 Global Scholar Program Application

1. Full Name
2. Email Address
3. Student ID
4. What University of Maryland, Baltimore school do you attend?
 - Carey School of Law
 - School of Nursing
 - School of Dentistry
 - School of Pharmacy
 - School of Graduate Studies
 - School of Social Work
 - School of Medicine
5. Degree Program
6. Will you be an enrolled full-time or part-time student in the Fall 2025 semester? Scholarships are only available for continuing students.
 - Yes
 - No

About your project

7. What is the title of your project? Examples include "Understanding plastic recycling in Costa Rica" or "The role of play therapy in a Korean population in an Arizona nursing home" or "Mobile Clinics in South Africa: Similarities to Baltimore."
8. Where will you conduct your research, service, or learning project? Projects in the US are fine as long as there is a global/universal element to the project.
9. When do you plan to conduct your research, service, or learning project (include month/s and year)?
Note: All projects must be completed by the end of the Fall 2025 semester.
10. Describe your proposed project in depth including (max 500 words):
 - What you plan to do for your project
 - A timeline
 - What outcomes you expect to have. Examples of outcomes include collection of data that can be used for a paper, capstone, or dissertation; further exploration of a topic researched for a course by conducting field research, interviews, or site visits; novel analysis of an existing dataset; preparation of a critical self-reflection memo appropriate for publication, etc.

11. How does your project align with your professional/career interests and advance your learning? (200 words max)
12. If you are working with an organization:
 - What is the name of the organization?
 - How did you learn about the organization?
 - Have you reached out to the organization and determined whether they support your visit?
 - Why are you choosing to work with this organization? Describe the organization and its impact on the community.
 - How does the organization sustain its efforts independent of student visitors?
 - How will you engage with your hosts and the community they serve to ensure access to the knowledge produced from your project?
13. If you are not working with an organization, how will the findings of your project be shared with the community?
14. Does your plan involve human subjects research? If you are unsure, please review [this link](#) which describes when IRB approval is needed.
 - Yes
 - No
15. If yes, please share your plan to secure IRB approval or be added to an existing IRB approval.
16. UMB Supervisor Name. This could be your advisor, a mentor, a professor, or the Student Affairs Dean.
17. Supervisor Title
18. Supervisor Email
19. Please upload a copy of the Supervisor Approval Form.
