

**University of Maryland, Baltimore
Peer Performance Data, 2004
Table 11**

University	% minority of all undergraduates	% African-American of all undergraduates	Passing rate in licensure exams					Alumni giving rate	Total R&D expenditures in medicine (000s)	Total R&D expenditures in medicine per FT med. faculty	Average annual % growth (5-yr.) in federal R&D expenditures in medicine
			Nursing	Medical	Law	Dental	Social Work				
Maryland, U. of, Baltimore	40.9%	27.2%	91%		85%			41.7%	\$213,458	\$242,291	12.5%
Alabama, U. of, Birmingham	36.6%	32.0%			no law school			7.8%	\$164,272	\$178,557	10.4%
California, U. of, San Francisco	42.3%	0.0%	no undergraduates		no law school		No social work prog	18.4%	\$505,703	\$358,147	3.0%
Illinois, U. of, Chicago	50.0%	9.1%			no law school			NA	\$128,276	\$150,913	21.8%
Michigan, U. of, Ann Arbor	26.1%	8.0%			89%			39.5%	\$205,213	\$207,916	8.2%
North Carolina, U. of, Chapel Hill	20.2%	11.1%	95%		91%			25.6%	\$140,192	\$130,411	14.6%
Connecticut, U. of					89%						
Texas, U. of, Austin					93%						
Virginia, U. of					94%						
Average of Peers	35.0%	12.0%	95%	#DIV/0!	91%	#DIV/0!		22.8%	\$228,731	\$205,189	11.6%

University	UMB institution-specific indicators					
	Total medicine R&D spending (millions)	Medicine resrch. grants per Basic Res. faculty ¹	Medicine research grants per Clinical faculty ²	% minorities of total enrollment	Total headcount enrollment	Grad. & 1st prof. as % of total headct.
Maryland, U. of, Baltimore	\$192.3	\$237,977	\$158,593	21.3%	5,477	83.1%
Alabama, U. of, Birmingham	\$197.0	\$251,437	\$141,411	27.9%	16,357	32.5%
California, U. of, San Francisco	\$476.2	\$391,189	\$210,522	10.8%	2,763	99.1%
Illinois, U. of, Chicago	\$73.6	\$136,848	\$56,121	21.8%	25,764	37.9%
Michigan, U. of, Ann Arbor	\$225.0	\$387,044	\$157,006	12.8%	39,031	37.2%
North Carolina, U. of, Chapel Hill	\$221.3	\$153,173	\$52,173	13.9%	26,359	38.8%
Average of Peers	\$238.6	\$263,938	\$123,447	17.4%	22,055	49.1%

NA - Data not available

Note: Bar exam passage rates vary considerably from state to state. Number reported for each school is for the state in which that school had the largest number of first-time takers.

The following universities are added for comparison with bar passing rates only: Connecticut; Texas, Austin; and Virginia
