UMB Campus Green Map with ArcGIS Web AppBuilder

University of Maryland, Baltimore Campus Green Map

Thank you for visiting UMB's Campus Green Map! Here you will find different features at the University that promote on-going sustainability initiatives on campus. Locate the closet covered bike rack to shield from the rain or a green space to relax in. Learn about UMB's Alternative Transportation Program which includes Low Emission, Fuel Efficient (LEFE) parking or about UMB's landscaping techniques that help treat stormwater runoff.

To learn more about sustainability at UMB, visit: www.umaryland.edu/sustainability.

Bike Parking: Lexington Garage

There are **9** parking spots for your bike at Lexington Garage.

This location has **wave** type racks on the **1st floor of Lexington Garage**.
[Click here](#) for Directions via Google Maps.
